This order is accepted with the understanding that fire, strikes, transportation problems, or any other mitigating factor out of ICES's control will release ICES from any legal obligation of performance. A finance charge of 1.5% per month (18% annum) applies to any balance due not paid within thirty (30) days of invoice date. All orders are governed by ICES Payment Policy and the Limits of Liability & Responsibility.

PAYMENT & CALCULATION FORM

LIMITS OF LIABILITY & RESPONSIBILITY

1. ICES and its contractors shall not be liable for damage, loss, or delay to uncrated freight, freight improperly packed, glass breakage or concealed damage.

2. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by ICES or its contractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pickup of freight from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booth unattended. Therefore, it is agreed that ICES and its contractors are not liable for the loss of, disappearance of, or damage to Exhibitor's freight after the same has been delivered to Exhibitor's booth, nor are ICES and its contractors liable for Exhibitor's freight before it is picked up from the Exhibitor's booth for loading after the show. Consequently, all bills of lading covering outgoing shipment(s) submitted to ICES or its contractors by Exhibitor will be checked at the time of pickup from booth and corrected where discrepancies exist.

3. ICES and its contractors shall not be liable for any damage incurred during the handling of equipment requiring special devices to properly load, place or reload unless 14 days advance notice has been given to ICES in time to obtain the proper equipment.

4. ICES and its contractors shall not be liable for any loss, delay, or damage due to events beyond their reasonable control which cannot be avoided by the exercise of due care and prudence, including without limitation, strikes, labor disputes, lockouts or work stoppage of any kind, fire, theft, windstorm, water, vandalism, acts of God, mysterious failure of power or utilities and other events of force majeure.

5. ICES and its contractors shall not be liable for ordinary wear and tear in handling of equipment.

6. It is understood that ICES and its contractors are not insurers. Insurance if any, shall be obtained by the Exhibitor. Amounts payable by ICES hereunder are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. It is further understood and agreed that ICES and its contractors do not provide for full liability should loss or damage occur. In the event that ICES or its contractors should be found liable for loss or damage to Exhibitor's equipment the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to property through performance or nonperformance of obligations imposed by the offering of services to Exhibitors, or from negligence, active or otherwise by ICES, its contractors or their employees.

7. ICES and its contractors shall not be liable to any extent whatsoever for indirect, special, incidental, or consequential damages, including, but not limited to delay any actual, potential or assumed loss of profits or revenues, loss of use of equipment or products, or any collateral costs that may result from any loss, injury or damage to Exhibitor's materials or exhibitor personnel which may make it impossible or impractical to exhibit the Exhibitor's materials.

8. Claims for loss or damage must be submitted to ICES by the close of the show. No suit or action shall be brought against ICES or its contractor more than one year after the cause of action accrues.

9. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that ICES and its contractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of ICES or its contractors shall sign a delivery receipt, bill of lading or other document, the parties agree that ICES or its contractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.

10. ICES and its contractors shall not be liable for shipments received without receipts, freight bills or specified unit counts on receipts or freight bills, such as UPS or van lines. Such shipments will be delivered to booth without guarantee of piece count or condition.

11. Empty container labels will be available at the ICES Service Desk. Affixing the labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for **EMPTY STORAGE ONLY**, and ICES and its contractors assume no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.

12. In order to expedite removal of freight from the show site, ICES shall have the authority to change designated carriers, if such carriers do not pick up on time. Where no disposition is made by the Exhibitor, freight will be taken to a warehouse to await Exhibitor's shipping instructions, and the Exhibitor agrees to be responsible for freight handling services or any other payment of charges relating to such handling at the warehouse. ICES assumes no liability as a result of such rerouting or handling.

13. The Exhibitor agrees, in the event of a dispute with ICES or its contractors relative to any loss or damage to any of the Exhibitor's freight or equipment, that the Exhibitor will not withhold payment in any amount due to ICES for freight handling services or any other services provided by ICES or its contractors as an offset against the amount of the alleged loss or damage. Instead, the Exhibitor agrees to pay ICES prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against ICES or its contractors shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits.

14. No credit or refund will be issued on any orders cancelled after **MONDAY, NOVEMBER 27, 2006**.

15. No credit or refund will be issued after close of event.

16. Be sure your freight is insured from the time it leaves your firm until it is returned after the show. It is suggested that Exhibitors arrange all risk coverage. This can usually be done by riders to existing policies. Contact your insurance representative. Be sure your liability insurance is in effect during transit & return of your freight, during storage & at showsite. ICES is governed by the Limits of Liability & Responsibility as set forth as above.

17. The placing of an order for services of tradesmen and the use of equipment by exhibitors or any agent of the exhibitor shall be construed as an offer subject to acceptance and approval of ICES in its sole discretion. Upon ICES's written acceptance & approval, the Exhibitor and its agents shall be bound by the terms and conditions set forth in Section 1 through 13 above. Likewise, once ICES has accepted and approved the Exhibitor's offer, any shipper consigning or delivering a shipment to ICES or its sub-contractors on behalf of Exhibitor shall be bound by the terms & conditions set forth in Section 1 through 15 above.

I have read & agree to this Limits of Liability:
